## MY FAVORITE PART ABOUT WORKING AS AN INTERN AT BREAKTIME MEDIA IS...

The cohesion amongst teams and the supportive, encouraging atmosphere. This environment fosters collaboration and creates a positive workplace culture that's truly inspiring.

## THE MOST VALUABLE THINGS I LEARNED DURING MY INTERNSHIP ARE...

Time management and being self-sufficient while eagerly tackling new tasks. These skills have not only improved my productivity but also boosted my confidence in a professional setting.

## I LOVE WORKING WITH THE CLIENT SERVICE TEAM BECAUSE...

We constantly surprise ourselves by proving that anything is possible. Our "can do" mindset allows us to lean on each other and innovate, creating a dynamic and exciting work environment.

## A NEW HOBBY I'VE PICKED UP OR WANT TO PICK UP IS...

Pilates! After recently graduating college, my lifelong passion for dance has been changing directions, so pilates has been an amazing transition into my new physical health journey.

## IF I COULD MOVE ANYWHERE IN THE WORLD, IT WOULD BE...

New York City. I love how lively the city is, and the opportunities to explore are endless.

## THE BEST RESTAURANT I'VE EVER BEEN TO WAS...

Michelle's Restaurant, which my grandfather opened as an expansion to Sweetheart Bakery, established in 1963. While the restaurant is no longer in business, the bakery continues to thrive today making both culinary favorites and is a cherished part of my family history.

## I LOVE BREAKTIME MEDIA BECAUSE...

It provides a nurturing environment that encourages growth, creativity, and collaboration. The company culture fosters a sense of belonging and empowers employees to take initiative and contribute to projects meaningfully. Here, our ideas aren't just heard—they're celebrated and brought to life!
